Katie Price has claimed her cheating husband Kieran Hayler was unfaithful to her with 'another woman' as well as her former best friend Jane Pountney.

The 36-year-old star made the revelations while co-hosting her first ever Fubar Radio show alongside Mark Dolan, during which she slammed both the builder and Jane for putting her through such a 'horrific' ordeal.

The mother-of-four - who is currently pregnant with her fifth child, her second with Kieran - said: 'In my situation it's one of the most horrific things you can be in.'
